

NSA Family,

You are invited to come by NSA this Friday August 4 or Monday August 7 to get your schedule AND check out your laptop computer for the year. Details:

- Times: 9am-11am OR 1pm-2pm
- Enter by Union Station and then proceed to the Flex Room

If you are concerned about anything in your schedule, you will have an opportunity to speak with a counselor about the process to request a change.

See you soon!
